

Automotive Technician I

PEIMS Number: 12579102* (AUTOTECH)

Automotive Technician II

PEIMS Number: 12579103* (AUTOTEC2)

Grade Placement: 10-12

Credit(s): 2-3

Recommended Prerequisite: Introduction to Transportation Services Careers

Instruction is designed to provide job-specific training for entry-level employment in the automotive engine repair and service career field.

First-year instruction emphasizes use of repair manuals, service and/or repair of basic automobile components—fuel systems, engines, emission controls, power trains, chassis, electrical systems, brakes, heating and air conditioning. Second-year instruction is designed to enhance job-specific training for employment in automotive engine repair and service career field.
