Mr. Manuel Benavidez, Jr., Director of Transportation, said, in our department our motto is:, “**Student Safety continues to be our Priority.**” We emphasize school bus safety with our on-going hands-on school bus safety training to all of our students. We ask that parents encourage their sons/daughters to follow bus conduct rules so our school bus drivers can concentrate better in providing a safer bus trip to and from school. If you have any questions regarding bus routes and/or campus schedules, please call us at 716-6838.”
